

Safety Village

Summer 2019

Dear Safety Village Parents and Guardians,

Welcome and thank you for signing-up for the Northampton Parks & Recreation Department's Safety Village summer program! This parent packet contains all the information about the Safety Village as well as the department's policies and procedures. Please read through the following information for details regarding your child's participation.

Each day is filled with presenters, craft projects, singing, games as well as bike riding through the village. Your child will be put into one of four groups, each one designated by a color (red, green, yellow, or blue) which they will stay in for the two weeks. Participants receive and wear a "Safety Village" name tag with their name on it each day as well as a "Safety Village" shirt.

The Northampton Parks & Recreation Department hires experienced individuals to work with your children throughout the summer. We are happy to welcome back Amber as our Safety Village Director. This will be Amber's 6th year with Safety Village and her second year as the Director! Our staff consists of individuals who have degrees in Education, related fields or qualified candidates who are attending college and high school. They are required to attend two mandatory days of staff training where the staff is trained specifically for the program and age that they will be working with. In addition to the staff orientation, all Supervisor positions are certified in CPR, Epi-Pen administration and First Aid. All of our summer day camps fully comply with the State Health Department Codes and Inspections for Licensed Day Camps.

If you have any questions or concerns throughout the summer, please do not hesitate to contact us by calling the Northampton Parks & Recreation Department Office at (413)587-1040 or by emailing us at recreation@northamptonma.gov. Your feedback lets us know how we are doing.

CAMP INFORMATION SHEET

PROGRAM DESCRIPTION

Safety Village is a half day program that runs from 8:30am – 12:00pm and is for children ages 4 to 6, as of 8/31/19. Safety Village is offered in three, two-week sessions starting July 1st. This is the 29th year that we are offering the Safety Village Program. The Village at Arcanum Field features a miniature replica of Northampton complete with streets and sidewalks. Children ride bicycles with training wheels through the village and walk the sidewalks to learn traffic and pedestrian safety first hand. Each day is also filled with presenters, arts and crafts projects, and singing. You will receive a more detailed daily schedule before your session begins. Campers must be toilet trained before attending camp.

PRESENTERS

Each session at Safety Village will feature local area presenters that will teach the kids about safety awareness. Participants will receive a daily schedule a few weeks prior to the start of the session that they are signed up for. The local presenters and the topics that will present may include the following:

The National Grid will be bringing “Hazard Hamlet” to show children the importance of electrical safety as well as their bucket truck. Children may even get to sit in the truck’s bucket.

Cooley Dickinson Hospital will discuss visits to the hospital, and some general safety guidelines, including buckling up while in a car and wearing your helmet while on a bike.

The Northampton Dog Officer will discuss how to act around strange dogs, what to do if they see injured animals that are not their pets and other safety tips about animals in general.

The Massachusetts State Police Dispatch will discuss with the children what happens when you dial 911.

The Northampton Police Department will come, speak with the children about police officers duties and safety practices. Children may get to look inside a real police car!

The Northampton Fire Department “EMT” crew will be coming to discuss the importance of knowing to call 911 in case of an emergency and bringing an ambulance for the children to tour. The children will talk about what it would be like to ride in an ambulance if they are ever involved in an accident. Also, the children will be shown all the equipment needed on an ambulance and may even get to go inside!

Park Ranger Tom from the Park Ranger Corp of Engineers will teach about water safety by having children participate in group activities and games. The importance of life jackets and water safety will be discussed as well as what is safe and not safe to do while in the water.

The Northwestern District Attorney's Office representative will speak to the children about good touch/bad touch, strangers, and physical and sexual abuse. This presentation is age appropriate and very professional.

The Northampton Fire Department will teach the children about fire safety and what to do in case of a fire. All children will be able to sit in the fire truck and get their pictures taken. They will also practice how to Stop, Drop, and Roll and see what a fire fighter looks like when in uniform. This is also ice cream day; the children's snacks will consist of a small sundae.

Northampton Parks & Recreation Leaders will discuss safety while riding a bicycle, stress wearing a helmet at all times, and other tips on how to stay safe in the car, on a boat, etc. Program staff will also remind and reiterate the day's safety lessons.

FIRST DAY JITTERS

We understand that this is some children's first experience with an organized program. We anticipate that some children may be nervous and hesitant but please be assured that we will help with the transition.

GROUPS

Your child will be assigned to one of four groups, each one designated by leader name and color which they will stay in for the two weeks. Participants receive and wear a "Safety Village" name tag with their name on it as well as a "Safety Village" shirt that needs to be worn on the last day of the program for their graduation ceremony.

CAMP STAFF

Our wonderful staff consists of individuals who have degrees in Education, related fields or qualified candidates who are attending college and high school. Our staff is required to attend two mandatory days of staff training where the staff is trained specifically for the program and age that they will be working with. In addition to the staff orientation, all Supervisor positions are certified in CPR, Epi-Pen administration and First Aid. We maintain a 1:5 counselor to participant ratio in Safety Village.

When you arrive to pick up your child, please do not approach the groups until they are at their pick-up area which will be designated on the first day. Please be aware that it is mandatory to sign your child out each day with their counselor. If someone other than the parent/guardian is picking up, you must provide a note to the counselor and this person must be authorized on your registration form.

The fee must be paid within 48 hours of the incident. Failure to do so will result in the suspension of the participant until paid. We understand sometimes incidents such as traffic, etc. occur. Please try to call the office to let them know if you are late. Chronic lateness may result in suspension from programs. The Police Department will be notified if your child is not picked up within an hour of the scheduled time and no call has been received.
